Dear Parents,

Are you looking for a way to get your kids excited about reading? With so many alternate forms of entertainment it's becoming harder and harder to get kids reading for fun. Please take a moment to look through our website for fun reading ideas, contests, and events that can help inspire kids to read.

To sign your child up for the ACE Reading Club all you need to do is complete and sign a registration form and return it to the Program Coordinator. Registering with the Club automatically signs you up to receive our free monthly newsletter full of fun reading activities, club news and announcements, and contest information.

If you would like your child to participate at school, contact your child's teacher to find out if her classroom is participating this year.

If your child's teacher is not participating this year, your child can still enter our contests, read our newsletter, submit poetry, stories, or artwork for the literary magazine published one time per year, submit reading-related projects and work to be posted on our website or printed in our newsletter, and participate in Special Book-It Television Tapings held approximately 4 times per year.

If you have any questions that our website cannot answer, please contact the ACE Reading Club Program Coordinator.
